WORK EXPERIENCE

Web Developer Co-op | ACD Systems | Jan 17 — Aug 17

I maintained, created, and improved the company's websites using best practices by implementing designs & functionalities using existing APIs. Collaborated with peers on new projects and tasks to meet deadlines.

Junior Developer | PurposeSocial | May 16 — Sep 16

Developed websites following a mock-up. Designed websites. Delivered projects to meet clients' needs. Implemented websites on Wordpress.

Freelancing | Designer | Aug 16 - Present

Designed logos and created graphics.

EDUCATION

BSc Computer Science

University of Victoria | Sep 14 — Present

INVOLVEMENTS

UVic Web Design and Development Club | President | Sep 17 — Present

Lead workshops. Mentored members through web design and development. Represent and promote the club. Organized weekly meetings, events, and hackathons.

Ladies Learning Code | Mentor | Sept 15 — Present

Mentored beginners to learn the basics of Python, HTML, and CSS by explaining concepts and logic. Assisted learners with debugging and errors.

Tech People Talking | Speaker | Aug 17

Spoke at Tech People Talking. TPT is a lightning talk event where people from the tech industry share passions, interests and ideas.

Battlesnakes | Snake builder | Sep 15 — Present

Mentored and volunteered at LLC/GLC events. Workshops on HTML, CSS, and Python.
